About the Gascogne Group:

The Gascogne Group is the leading player in the wood industry in France, operating at every stage of the processing of forest resources, and the only player in France that is totally integrated along the complete wood-paper-processing chain. With its four close-fitting activities, the Gascogne Group is the leading multi-specialised operator in the wood industry in France, the world's leading producer of machine-glazed natural Kraft paper, one of the European leaders in the industrial and consumer sacks market, and one of the world's leading producers of packaging and protection laminates.
